

- Our people are the foundation of our success.
- We are motivated and efficient.
- We encourage and demand professional competence.
- We value teamwork, openness and friendliness towards customers and colleagues.

Employees

- Long-term customer satisfaction and the continual expansion of our customer base are at the heart of everything we do.
- We secure the trust of our customers for the long term by providing high-quality products and technical solutions that we develop together with our customers.

Customers

Quality

- Quality management and regular voluntary certification are among the most important and central objectives of our company.
- We deliver exemplary and consistent quality for our customers in the automotive industry and for renowned global companies worldwide.
- By constantly questioning our existing procedures, we achieve continuous improvement in our processes.

Sustainability

- As a success-oriented, medium-sized family business, we focus on continuous growth.
- In all our activities, we ensure that resources are used sparingly and that the impact on the environment is kept to a minimum.
- The health and safety of our employees is our primary corporate responsibility.
- We act economically, ecologically and responsibly, thereby constantly increasing the value of our company.
